VARIABLE RATE ACCOUNT INFORMATION:

The earnings credit rate stated below is accurate as of the date at the top of this document. However, earnings credit rate may change. If you would like current earnings credit rate information, please call us at 800.368.8930.

This account offers two different earnings credit rate tiers depending on your balance. These tiers are described below.

- If your monthly average balance, minus the reserve, is \$500,000.00 or less, the earnings credit rate paid on the balance will be %
- If your monthly average balance, minus the reserve, is over \$500,000.00, the earnings credit rate paid on the balance will be %

Determination of Rate: At our discretion, we may change the earnings credit rate on your account.

Frequency of Rate Changes: We may change the earnings credit rate on your account at any time.

Limitations on Rate Changes: There are no earnings credit rate change limitations.

Credit Offset: Fees and monthly maintenance fee may be offset in part by the earnings credit. The earnings credit will be calculated by applying the current earnings credit rate to the net available balance for the statement cycle. If the earnings credit exceeds the fees for any period, you will be assessed no fees, but you will not be paid, allowed to carry forward, or otherwise receive credit for any excess earnings credit.

Effect of Closing the Account: If you close your account before the last day of the statement cycle, the earnings allowance will not be received and fees will be prorated and assessed for the account activity up to the closing date.

Statement Cycle = The statement cycle ends on the last business day of each month.

Minimum Balance Requirements: You must deposit at least \$250.00 to open this account. There are no minimum balance requirements to maintain the account after opening.

Fees That May Be Imposed on the Account: The following fees will be assessed against your account per account cycle:

- \$25.00 maintenance fee per month;
- \$0.25 per item
